TO WHOM IT MAY CONCERN;

This letter is to recommend to you JOHN PERCY of Remax Camosun Realty .

John sold a condominium and a home for me, and sold me the Morrison St. Condominium I live in. He also sold a house next to our home. All the sales took place quickly even in today's slow market.

The attention to detail and marketing John exhibits is of the highest calibre. He kept in continual contact with me through the whole process. His professionalism is the best and he is completely honest.

He listened to my concerns and needs at all times.

I am sure if you have John look after your real estate needs you will be completely happy with his service. If you feel the need to discuss John with me before listing with him, please call me at 250-360-0206.

Yours truly,

Pamela Beecroft
